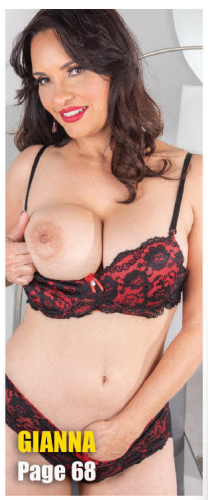
VOLUME 27
NUMBER 4



Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Joseline Kelly needs a hand.
She desperately needs someone to help her cum. She gets a cock instead, and that seems to work. She creams on a fat dick and cums at least twice.

Dahlia thought her ex was good.
But she had no idea how good sex could feel until we paired her up with a stud. Watch her smile as she takes her first big one deep into her cunt.

Natalia's big orgasm is incredible.
This 18-year-old online student from Brooklyn, New York takes the crown for having the biggest, loudest, most memorable and wettest orgasm we've seen on *naughtymag.com* so far.

Emily Harper is such a youngster!
She hadn't even eaten all the cake from her 18th birthday when she posed for these pics! The perky high school student caused a minor commotion in the *NN* office when she emailed us and asked if we'd be interested in shooting her newly-legal body.

Kylie is an overachiever.
She lost her virginity in an orgy with a few girls and four guys. Watch as she gets plowed in the great outdoors by a hung cocksman.

Megan is such a camera whore.
This 21-year-old office clerk from Pennsylvania is playing a hard-to-get, coy bitch before she finally does what she wants to do all along: strip naked so we can see her firm B-cup tits and meaty, pink pussy.

Redheaded Mandy is kinda horny.
This 19-year-old from Texas spends a lot of time in her bedroom (at least from what we've seen of her), and she knows her way around her body.

Athena is a yoga poser.
"I can make myself into a human pretzel," she told us. We obviously asked her to show off her skills for the camera. You've gotta see it!

Aria is a horny Bush Baby.
She's from eastern Europe, a place where they still appreciate a wildly hairy and wet snatch.

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: Honey

Lives: Miami
Height: 5'3"
Bras: 34C

Honey is bright and bushy-tailed and loves getting her hairy pussy plowed. This cutie swears she used to be bashful, but when we asked her what turns her on, her list was filled with bold, kinky shit. "I love pleasing my partners," she told us. "I'll do anal, ass-to-mouth, three-ways, rimming, pegging or whatever else sounds good in the moment. As long as I look good and get you off, I'm game for it."

See Honey's dripping pussy get pounded in our issue NN2702 or in our movie Tight & Stretched 3, available on page 99.

Evelyn *Chattanooga, Tennessee*

Look at how comfortable Evelyn is on-camera. "I did some trade show modeling before I got my job at the plant," she told us. "I loved the attention I got from modeling, but the pay sucked. The plant pays well, but I have to work a lot of hours. That's one of the reasons porn always intrigued me. I can be my own boss!"

"I had the usual high school experience. I played soccer and got okay grades. I lost my virginity to my first love. It's funny; I had always thought that my first time would be sweet and slow and romantic. It started out that way, but after a minute or two, I was like, 'Huh, it feels a lot better when he goes fast.' That's when I learned that I like fast, hard pounding."

Good things cum in threes.
"I've had a few threesomes before. They're fun. I like it when there are two girls. I enjoy eating pussy while getting fucked doggie-style. Fucking two guys can be awesome, but it's exhausting. It's like running a marathon!"

Naughty Neighbors® Video Preview

It's a three-disc extravaganza of young, wet and tight pink slits. Get your tissues ready!

We believe in quality over quantity…Our problem is that we have so many beautiful amateurs wanting to spread their legs and make themselves cum on-camera for the first time, sometimes we have to make a movie like this one. It's three discs of the hottest, newest amateur babes on full display. You can cum to a new scene every day for over three weeks. Start by getting to know the girls as they share intimate stories. Then load your spank bank as they shimmy out of their clothes and finger their pussies, play with their tits and soak their couches and beds with their girl cum.

You can stream now @ eboobstore.com

Adel starts her scene by showing us her piano playing skills. She can tickle the ivories. She can also tickle her clit with a vibrator until her body clenches from a massive orgasm. Honey likes to pinch her pierced nips while she masturbates. Next, lily-white cutie Emma shows off on a luxury motorboat. She does an erotic striptease while other boaters drift by. The attention makes her hot, so she drops to her knees and sticks two fingers in her cunt. She's lucky she didn't get a sunburn on her asshole!

These 24 amateurs come from around the world. There are European babes like Infanta, the adorable youngster who fucks her pussy with a dildo. Japanese sweetie Renka also uses a toy to get herself off, and she can barely breathe as her orgasm takes over her body. New Yorker Candy is a dirty girl who takes a hot, steamy shower and lathers her body with floral soap. Kyler lives in Arizona and takes advantage of the good weather by doing a striptease and masturbation show outdoors.

SCROTOX

Are your balls too sweaty? Does your girlfriend complain about how wrinkly they are? Are you self-conscious about having the smallest nuts in the gym locker room? If you answered yes to any of those questions, then doctors have found the

Is it time to treat your balls better?

solution for you. Some plastic surgeons are offering scrotox, a procedure wherein Botox is injected into the scrotum. Jason Emer, a doctor whose website claims he's the world's most-recognized cosmetic dermatologist and surgeon, performs scrotox procedures for men wanting to beautify their ball sacks out of his Beverly Hills, California office. The benefits of this technique include: making wrinkles less noticeable; making the scrotum look bigger; making testicles hang lower; enhancing sexual pleasure; and lessening sweat from the scrotum. Whether or not injecting the same toxin that causes botulism into your nut sack is worth these benefits is up to you to decide.

THE KINGS WHO PARTIED

What would you do if you were king for a day? Would you take a luxurious bath with a harem of women? Would you drink champagne from priceless artifacts? That's child's play compared to these real stories about the horniest monarchs throughout history. Take a look at what depraved and debaucherous capers these royals got into.

Solomon 970–931 BCE
Monarch of the United Kingdom of Israel

A long, long time ago, King Solomon was living the life. He reportedly had

700 wives. Although some may think that his marriages were political tools he used to gain leverage around the world, it has been written that he was infatuated with women, and he spent hours upon hours with his lovely brides. There are also reports of Solomon bedding 1,000 virgins. That tracks numerically because Solomon

BETTER BRAIN & BONERS

Viagra is old news at this point. It debuted in 1998 and now there are over two million active prescriptions in the United States alone. The "little blue pill" as it has come to be known is a lifesaver for its ability to turn soft wieners into rock-hard tenderloins, so to speak. But, researchers at the Cleveland Clinic have published a new study that suggests that in addition to having granite-like dongs, Viagra users are 69-percent less-likely to be stricken by Alzheimer's disease. No, we're not making up that number.

Cleveland Clinic's Genomic Medicine Institute analyzed more than seven million users of Viagra and its generic form sildenafil. The institute found that after six years of use, users were much less likely to develop Alzheimer's compared to non-users. Even more impressive is that these benefits extend to otherwise healthy Viagra users as well as people with comorbidities such as type two diabetes, hypertension and coronary artery disease. More research needs to be done, but it's looking as if boner pills can help your brain, too.

Renka

Tokyo, Japan

You've probably heard of puffy nipples before, but what about a puffy pussy? That's what Renka is hiding in her panties, and that little clamshell provides the cushion for the pushin'. "A few boys told me I had a nice pussy. That's when I learned that I had an innie pussy," Renka explained. "After a while, I started shaving it so I could see it better. I think it's cute."

Self-discovery is a gift.
"I didn't start masturbating until I shaved my pubic hair. I had to look at my vagina in a mirror to make sure I got all of the hair, which made me curious. I began to explore, and that's how I found out what felt good to me."

Elvera

Kiev, Ukraine

Meet Elvera. She turned 19 recently, and since then, she's been having a ball. "I met a new guy," she explained. "When we first hooked up, it was wild. We are so compatible, and the sex is amazing. He shares all of my hobbies: traveling, swimming, photography, painting and so much more. He's the one who took these pictures. He's so talented."

We'll admit that Elvera's guy got some nice photos of Elvera's tight, pink slit and asshole. Elvera was a little nervous about showing off her rosebud, though. "It's not my favorite part of my body," she explained. "But I'll admit that it's erotic looking in these pictures. I was nervous about showing so much, but they turned out nicely."

Learning and yearning.

"I'm taking psychology classes in school. My favorite lessons are about sexual tendencies and desire. As I researched fetishes, a lot of them intrigued me. I think I'm going to explore some kinks like BDSM and spanking."

Kourtney *Denver, Colorado*

We love tiny teens. We print plenty of 20some-things. Hell, we even have a passion for MILFs. But there's something so erotic about a woman in her 30s, like Kourtney. She's confident, sensual and beautiful. "I know what I want," Kourtney told us. "I'm at a point where I'm horny all the time. And, when it comes to sex, I'm usually the aggressor. "

No time for date night.
"When I'm bored, I'll hop on a dating app and find a guy to fuck. I like to do it at their place so I can leave when I'm finished. I can do the whole thing in a couple of hours. Then, I get to go home and watch a movie with my dog."

Jenny

Tatce, Czech Republic

Jenny is a beauty originally from Austria, although she now lives and studies in the Czech Republic. She decided to earn some extra cash for school by modeling. "There's nothing better than fucking," Jenny explained. "So why wouldn't I want to fuck or masturbate and get paid while doing it?"

"I live about an hour outside of the city," Jenny told us. "So after classes, I'll stick around and go to the bar with my friends. Sometimes, it ends up getting very late, so I'll have to pick up a guy and spend the night at his house. At first, it was complete strangers, which was exciting and a lot of fun. Now, though, I have three or four guys who I can call and they will let me share their bed for the night. It's a great situation for everyone involved."

That's some hospitality.
"I had my first threesome recently. I spent the night at a guy's house and his flat-mate came home. It was funny because we didn't have a conversation about it. The friend just jumped in and joined us. It was great!"

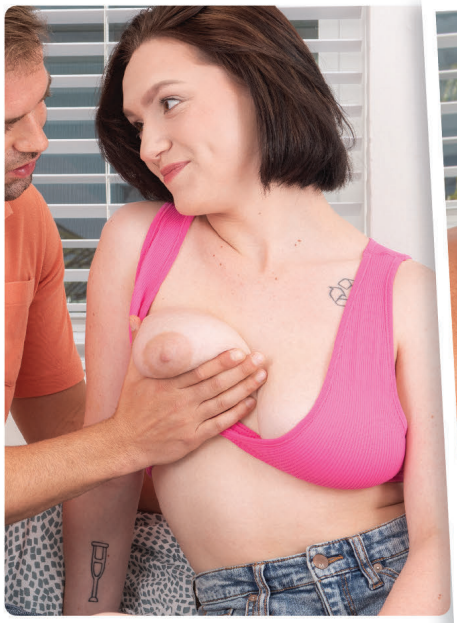
Gracie *Pikesville, Maryland*



Gracie is a newcomer who will probably be a superstar soon. Why are we so confident? Well, take a look at her. She's enthusiastic, pretty, has a great set of knockers and her pussy gets wet from just thinking about cocks and cameras. All in all, she's got the markings of a pornstar. But, she's not there yet.

"Deep down, I'm just a nerd," she told us. "I don't dress glamorously or anything when I'm in public. I'm your run-of-the-mill girl who happens to like watching Marvel movies almost as much as I like fucking. In fact, I used to watch movies with my ex in his basement, and I'd ride him while we both watched the TV. It was awesome."

We asked who Gracie's favorite superhero is. "I'm a big Spiderman fan. Tom Holland, the guy who plays him, is a cutie pie. It's funny, though. I normally like big, tall, muscular guys who exude confidence, and this iteration of Spiderman is shy. I guess I'm just a sucker for a guy who can shoot webs that well."

"I lost my anal virginity a little while back. It was painful at first, but it started feeling good right before the guy pulled out and came. It was such a bummer! I'll try it again, probably, but I need to find a guy with stamina."

Bess

Miami, Florida

Bess grew up riding horses in the countryside but now resides in sunny Florida. That's a big change, but Bess likes aspects about both places. "Obviously, I miss working with horses and going for rides," she told us. "But living in a place where I can walk around wearing a bikini top all day is awesome. I love showing off my body in the good weather."

Opening up the bedroom.

"I have a boyfriend, but he's cool with me taking pictures like this. He's really open-minded. We bring people into the bedroom fairly frequently. His favorite is when I bring a girl home, obviously. But, I like a good spitroast."

Vivianne

Laguna Beach, California

Guys, you're in for a treat. This girl adores cock, and she'll take it in any position. "I started gymnastics when I was seven years old," Vivianne told us. "That's why I'm so flexible. I later switched to competitive cheer and dance, and I was a cheerleader in high school. I like that exercise boosts my endorphins. It's like having sex."

Vivianne is talented. "I can play the bass and the ukulele. I also call myself the deepthroat queen because I can slide pretty much any cock into the back of my throat." Vivianne also informed us that if you see her out and about, there's a good chance she won't be wearing any panties. "I have a thing for not wearing panties when I'm wearing short dresses and skirts."

Both holes are wide open.
"I cannot get enough anal sex. I'm talking first thing in the morning before getting out of bed. I rarely leave my place without a toy filling up my ass. So when your stud stuck a finger up my ass, my pussy started creaming."

also had 300 concubines. The guy also had a net worth that today would be north of two trillion USD, so he was living a pretty nice life if you ask us.

Caligula, 37-41 AD
Emperor of Rome

You've probably heard his name before. Maybe you saw the '70s movie based on his wild life. If not, check it out. You get to see Dame Helen Mirren's tits. The real-life Caligula had four wives, fucked his sisters, seduced Roman Senators' wives (sometimes with their husbands watching), banged prostitutes and had an entire fleet of luxurious private yachts built just so he could fuck women and kill his enemies onboard. Reportedly, after a long and crazy orgy on a lake, Caligula ordered several of the boats sunk with his party-goers onboard. He wanted to cap off a great night with a show. Caligula rubbed a lot of people the wrong way and his own private guards murdered him after just five insane years in power. What a life!

Henry I, 1100–1135
King of England

Henry liked to fuck. And, the king doesn't wear rubbers! Henry the first fathered over 20 illegitimate kids and two official heirs. He had two wives, Adelicia of Louvain and Matilda of Scotland and countless mistresses. He didn't try to hide them, either. Ol' Henry flaunted them around his castle and banged them all morning, noon and night.

Edward VII, 1901–1910
King of England

King Edward VII was a man of big appetite. He loved his food and drink, and one of his nicknames was "Tum Tum" because of his large gut. The king was originally named Albert and also had an insatiable appetite for women. From this, he got his second

nickname, "Dirty Bertie." He fucked some famous women, including Lady Randolph Churchill, Winston Churchill's mom. He also had a relationship with the great-grandmother of Camilla Parker Bowles, current Prince of Wales Charles' wife. All of that is fine and dandy, and hardly eyebrow-raising considering the history of the royal family. But, Edward liked sex more than the average man. He had artisans craft him a beautiful and

ornate sex chair that he could use to more-easily bang his ladies. Several biographies about King Edward claim that after losing his virginity, he had sex with at least four women every week until his death 50 years later. That puts the number of his partners somewhere between 15,000 and 18,000 women.

Mohammad Reza Pahlavi, 1941-1979 Shah of Iran

Mohammad Reza Pahlavi liked decadence. If he didn't have sex several times a day, he would reportedly fall into a depression. He was married three times and had relationships with

Gianna

Miami, Florida

"I dress sexy whether it's a nice-fitting dress or sexy, tight pants," said Gianna Chanel, a 47-year-old divorcee and mom from Miami, Florida. Today, Gianna is wearing just a bra and panties. She strips out of both to show us her bangable body. "I like to keep my body tight," she told our photographer. "I spend a lot of time in the gym, and I'll give any twenty-year-old girl a run for her money."

Behind closed doors...
"I'm not a swinger or a nudist, but I know a few girls who are. I like one-on-one connections. That's not to say that I'm vanilla. I dabble in domination, and I have a serious foot fetish. I just don't like sex to feel performative."

Jasmine

Austin, Texas

Jasmine is the girl-next-door of your dreams. She's busty, flirty, gorgeous and game for just about anything, even if she doesn't have a lot of experience. "I'm not a virgin, but I also haven't had a lot of sex," Jasmine explained. "I'm single for the first time in a long time, and I want to get out and try new things. My biggest goal is trying a gangbang or a blowbang."

"I've got pretty big tits, so I get a lot of stares when I'm in public. I don't get hit on a lot, but I do notice it when guys lock in on my chest when I'm at the mall or on the beach or whatever. I don't mind too much because tits are awesome! I admire the female form so much. I haven't ever hooked up with another girl, but it's definitely on my list. I'm curious about what another girl's pussy tastes like."

"I started camming to make ends meet, but now it's my passion. I get to wake up whenever I want, get dressed up like a slut and play with my pussy all day. It's a dream! I start my shows nice and slow, working my way up to being fully aroused. That's when I'll put the pedal to the metal and start toying my pussy like crazy while pinching my nips."

It's not boring if it works!

"My favorite position is missionary. I know that sounds boring, but I like having the weight of the guy on top of me while his cock is deep inside me. Maybe it's the way my clit rubs against the guy's body, but it makes me cum."

Hydie

Inglewood, California

We complimented Hydie on her little patch of pubes. "Yeah, I have a little hair on my pussy," she responded. "I know it's popular for girls to shave or wax completely bald, but I like having a little something there. It makes me different, plus I like the way my pubes feel–all soft and silky."

The fuzz grows on you.
"I let my bush grow out while I wasn't dating. But I recently started fucking again, so I shaved the lip area. I wanted it to be nice and smooth for when I get licked. But I kept the little hedge on top because it's easier to maintain."

several famous actresses, including Gene Tierney, Yvonne De Carlo and Silvana Mangano. His assistant regularly shipped in tall, blue-eyed Europeans to spend the day with

the Shah. But, his sexual desires aren't why Mr. Reza is remembered. No, it's because he threw the most expensive party ever. To commemorate 2,500 years of the Persian Empire, the Shah invited dignitaries from around the globe. He constructed a city of luxurious tents designed to replicate ornate French apartments on the ancient ruins of Persepolis. Over 15,000 trees and flowers were flown into this new city. Over 50,000 songbirds and over 20,000 sparrows were imported and given a new home in this overnight forest. A new airport was built. For less important guests not staying in the tent city, two luxury hotels were constructed nearby. To chauffeur guests, the Shah bought 250 red Mercedes-Benz 600 limousines. Feasts were hours-long affairs, and 18 tons of fine imported foods were served, including between 66 to 330 pounds of caviar. The total cost of this shindig isn't known, but some estimates run between $100 million to $500 million.

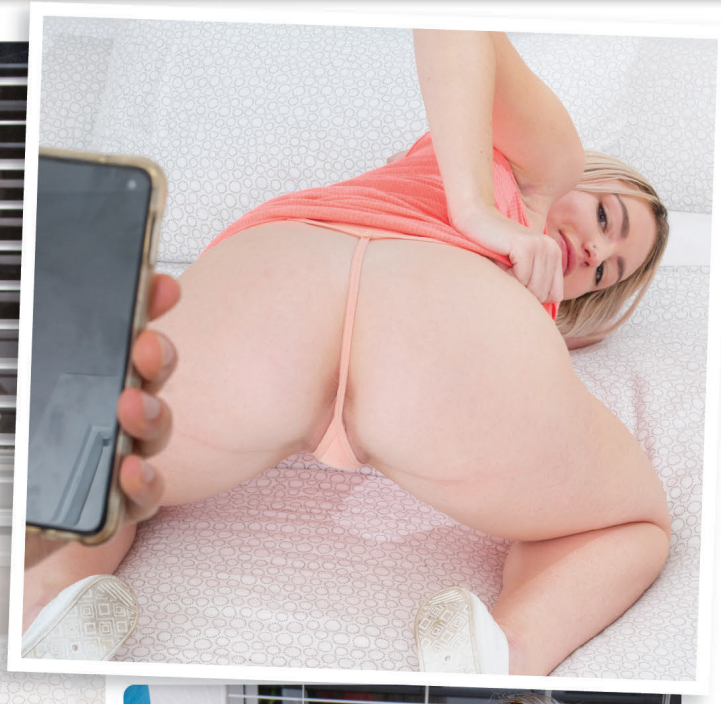
Britt

Coeur d'Alene, Idaho



What guy doesn't love a tiny blonde with a tight body? Britt is so irresistible that even she can't keep her hands off herself. Luckily, she has our porn stud to help her out. Of course, Britt's helping him plenty, too. For such a tiny girl, she sure sucks a mean cock. "I've been practicing," Britt explained. "I've got a guy friend with a huge dick, and I've been blowing him for experience."

"I've never fucked in a position I haven't liked," Britt told us in a brief interview before we shot these pictures. "My favorite position is doggie-style with my head buried in a pillow. When the guy I'm with grabs my hips and pulls me onto his dick, it drives me crazy. I'm into a little kink, too, so hair pulling can feel amazing when I'm really getting pounded."

"My girlfriends convinced me to try exotic dancing after I turned 18. Some clubs in my area have amateur nights, so we figured we'd give it a try. Some of the girls were treating it like a big joke, barely dancing and quickly just flashing their bras or whatever. When it was my turn, I gave the guys their money's worth. Let's just say that I made one hell of an impression."

Ready, aim, fire!

"I don't mind swallowing cum if I'm in the mood, but most of the time, I'd rather have the guy nut on my tits or on my belly. The first time I gave a BJ, the guy pulled out of my mouth and came up my nose. That shit burns!"
